

2nd Annual Strut the Structures Tour

Saturday, March 7, 14 and 21 – 10 a.m.

Join us at the Weston Art Gallery (corner of Seventh & Walnut Streets) for a 90-minute walking tour of this year's awesome structures built entirely out of canned food. A free, family-friendly event.

Cincinnati Canstruction® combines the fun of a design/build competition with an ingenious way to help feed hungry people. Local prominent architectural, engineering, planning, design and construction firms, and students mentored by these professionals, create phenomenal structures built entirely out of canned food. Judging occurs in categories such as Best Use of Labels, Structural Ingenuity, Best Meal, and Jurors' Favorite. Awards are presented at an annual fundraising gala. The public is also invited to cast their vote for their favorite in our People's Choice Award on Facebook. At the close of the exhibition all of the canned food used in these structures is donated to the Freestore Foodbank, for distribution to shelters, soup kitchens and other emergency feeding programs. Make a donation online and help Cincinnati Canstruction® put an end to hunger.

Canstruction® sculptures are available for viewing at the **Weston Art Gallery** (corner of Seventh & Walnut Streets), the front lobby of the **Aronoff Center for the Arts** (650 Walnut Street), the **Scripps Center** (312 Walnut Street), the **Public Library of Cincinnati and Hamilton County** (800 Vine Street), **Macy's Fountain Place** (505 Vine Street, 2nd Floor), the **Center at 600 Vine** (600 Vine Street), and the **Hyatt Regency Cincinnati** (151 West 5th Street).

Competition sponsored by the Cincinnati Chapters of the SDA - Society for Design Administration
and AIA - American Institute of Architects
